The difficult and dangerous operation of tracheotomy was performed yesterday, by Doctor Hughes, assisted by Doctors Rosson and Stern, upon the infant son of Lon Teal. The child has been suffering for several days from membranous croup, until the larynx had almost closed. An incision was made into the trachea, a silver tube inserted and breathing restored uninterrupted. The case is still a serious one, however.

The ball to be given next Friday evening, at Patton's Park, will be for the benefit of the uniform fund of the Phoenix Pioneer Band. It is believed that the ball will furnish enough money to secure a neat set of uniforms, which are to remain the property of the organization and not of the individual members.

A. E. Cobb will be floor manager. The reception committee will consist of Messrs. R. L. Rosson, D. H. Burtis, H. J. Jessop, J. D. Monahan, Leo Goldman and J. F. McWilliams.

Three Chinese got into a wild dispute last night, about 9 o'clock, at the two-story brick on Montezuma street near Adams, and what might have been a first-class killing was interrupted by Deputy Sheriff Garcia. Two of the Chinamen ran, but one of them, Lee Wan, willingly accompanied the officer to the Court House. He was covered with blood from a cut on the head, which he said had been inflicted by one Hon Shung, by means of an iron bucket.

County Physician Hughes pronounced the injury to be a serious fracture of the skull, and sealed together the edges of the cut. The assailant is well known and has been apprehended.

## RACING FIREMEN.

Result of the Dry Test Contest at the Albuquerque Fair.

From the Albuquerque Citizen.

There were only two entries for the excellent purse offered by the association—The Albuquerque running team and the Prescott team.

The run was 100 yards, and the first to go were the Albuquerque. The boys made a terrific run up the course, and everybody waved their handkerchiefs and yelled themselves hoarse, that they were sure winners. However, the uncoupling of the hose and coupling on of the nozzle were inferior, and this alone took up ten seconds, and the time recorded was 31½ seconds. The boys pulled and laid 66 feet of hose, the cart carrying 200 feet.

After the adjusting of the harness and setting themselves, the Prescott boys started off like lightning. Coming up the course, however, several of the runners showed fatigue and dropped to one side. The others pulled the cart through, and while they did not make the run as fast as the Albuquerque up the course, their coupling was decidedly quicker, and they did their work in better time—29½ seconds. On examining the nozzle coupling, the judges discovered but two and a half turns, when the rules explicitly state that there must be three turns. This caused considerable discussion, but the judges, no doubt out of respect to a visiting team, awarded the run to Prescott.

The Prescott Company boys lost the individual races.

## Robinson's Circus.

From the San Francisco Report.

It is the greatest traveling show on earth. It is the first circus show visiting this coast that has exactly fulfilled its promises. It is the only circus visiting this city that has given an exhibition in exact accord with the attractions depicted upon its show-bills, or has combined all its attractions under one tent at a single price of admission.

It is the first circus that has ever exhibited here that has eliminated from its personnel the pestiferous peanut and lemonade vender, and which has spared its patrons from the annoyance of a snide 10-cent after-piece. It gives the cleanest, most fascinating, the most pleasurable performance of first-class attractions throughout, from beginning to end, that has ever been viewed under canvas by a San Francisco audience. It has more numerous and better attractions than have ever been combined in a single exhibition in this State.

Last night over 2000 people were turned away from its doors, though 1200 additional seats had been provided.

## A Stranded Ship.

LONDON, September 21.—The ship St. Mary, from New York for San Francisco, before reported stranded at Stanley, Falkland Islands, has been shattered and broken up by the winds.

## East Indian Election Riots.

## The Fight Monday Night.
